-- TURCK, TURK --

The family groups represented in this collection may not be complete, because information was entered bit by bit as I found it or happened upon it; I have not done any systematic research on these families. Because they do not compose whole family genealogies, these listings are arranged differently from most genealogical records or histories. Each listing is a family group, and is arranged and filed alphabetically under the name of the head of the family.

Names are generally in alphabetical order (disregarding spelling variations and middle names), then in approx. chronological order. The first sorting is by surname (mixing together any and all spelling variations), then by given name, then by approximate birthdate (when known) in approximate chronological order. For easier reference, surnames in headings are grouped together under the most common spelling usage that evolved in this geographical location, regardless of individualistic spellings in the records themselves. Cross references are used in most cases where surname spellings substantially vary.

Within the quoted records, the individual spellings have been (mostly) retained because they sometimes provide clues (although in general—but with exceptions—they seem to largely reflect the record keeper's particular orthography and not always, at this early period, any special family preference). Those interested can see the variety and evolvement of a particular name's spelling and the interesting and sometimes amusing attempts at phonetic reproduction. Keep in mind that before names and spellings were standardized, records reflected the individualistic whim of the particular recorder (often two different spellings of the same name within the same document). In addition, all records were handwritten, and sometimes deciphering a handwritten name in early records can be quite challenging! So expect to search under all possibilities of spelling (for both surnames and given names).

Given names are grouped together without regard for middle initials or middle names. Because middle names and/or initials are sometimes used, sometimes not used in various records, it seemed simplest to arrange entries as if the middle names or initials did not exist. Usually all variations of a given name are grouped together as though spelled one way: Jan, Johannes, John, etc. are all grouped as one (but also look under the other forms).

Sources and references are included with each "family" grouping, but may or may not include sources that are cited (or are obvious, such as baptismal records, etc.) within the narrative or listing itself.

As with any compiled genealogical record, researchers should regard this information as leads and clues, and should verify all data with independent research.

I welcome, and would be grateful for, any additions or corrections, especially with source citations.

22 Jan 1660 -- Burgomasters & Schepens having considered, read and re-read the vouchers papers and documents used in both sides in the suit between Symon Clazen Turck as husband and huardian of Merritje Pieters, daughter of Pieter Cornelissen, dec'd, millwright, and thereby lawful heir of the same as herein relieving the orphan child of decd. Tryntje Pieters decd., daughter of said Pieter Cornelissen, or Tielman van Vleeck's substitute, pltf., against Sybout Clazen, deft., for and on a/c of four hundred and forty guilders in question for four hundred boards at twenty two stivers each, which the pltf Simon Claazen Turc claims, in the quality, in which he acts, from Sybout Clasen; in opposition to which the deft. Sybout Clasen concludes not to be indebted, inasmuch as he has satisfied and paid the same, producing certain proofs to this effect: All which vouchers, documents and papers and whatever is material produced by parties on each side being examinied and weighed by Burgomasters and Schepens, they find by copy of a certain letter dated 19 May 1649 from Pieter Cornelissen and copied by D: v. Hamel, Secretary of the Colony of Reinselaerswyck, that Pieter Cornelissen agreeably to the demand of Symon Clazen Turck sold to Sybout Clasen four hundred boards @ 22 stiv: each amounting to four hundred and forty guilders abovementioned, of which fl. 440. he, Pieter Cornelissen, writes to Albert Andriessen, that he had received from Sybout Clasen one hundred and sixty two guilders, and further sevety eight guilders, so that, he writes, there remain from Sybout Clase two hundred guilders, and that Catalyn and Joresy have promised him the balance and if he had it here to send it up; and as it appears from Catalyn and Joresy's letter, that the fl. 200, which Sybout Clazen owned to Pieter Cornelissen, red'd by them, was sent up by them on 3d Septermber 1649 to Albert Andriesen Noorman, whilst Pieter Cornelisn aforesaid was in the Virginias and the aforesaid sum of fl. 440. by the abovementioned Sybout Claen is satisfield and paid therefore the pltfs. suit instituted herein is dismissed and he is condemned to all the costs incurred in and relative to this suit.
