

-- SPIER, SPEER --

The family groups represented in this collection may not be complete, because information was entered bit by bit as I found it or happened upon it; I have not done any systematic research on these families. Because they do not compose whole family genealogies, these listings are arranged differently from most genealogical records or histories. Each listing is a family group, and is arranged and filed alphabetically under the name of the head of the family.

Names are generally in alphabetical order (disregarding spelling variations and middle names), then in approx. chronological order. The first sorting is by surname (mixing together any and all spelling variations), then by given name, then by approximate birthdate (when known) in approximate chronological order. For easier reference, surnames in headings are grouped together under the most common spelling usage that evolved in this geographical location, regardless of individualistic spellings in the records themselves. Cross references are used in most cases where surname spellings substantially vary.

Within the quoted records, the individual spellings have been (mostly) retained because they sometimes provide clues (although in general—but with exceptions—they seem to largely reflect the record keeper's particular orthography and not always, at this early period, any special family preference). Those interested can see the variety and evolution of a particular name's spelling and the interesting and sometimes amusing attempts at phonetic reproduction. Keep in mind that before names and spellings were standardized, records reflected the individualistic whim of the particular recorder (often two different spellings of the same name within the same document). In addition, all records were handwritten, and sometimes deciphering a handwritten name in early records can be quite challenging! So expect to search under all possibilities of spelling (for both surnames and given names).

Given names are grouped together without regard for middle initials or middle names. Because middle names and/or initials are sometimes used, sometimes not used in various records, it seemed simplest to arrange entries as if the middle names or initials did not exist. Usually all variations of a given name are grouped together as though spelled one way: Jan, Johannes, John, etc. are all grouped as one (but also look under the other forms).

Sources and references are included with each "family" grouping, but may or may not include sources that are cited (or are obvious, such as baptismal records, etc.) within the narrative or listing itself.

As with any compiled genealogical record, researchers should regard this information as leads and clues, and should verify all data with independent research.

I welcome, and would be grateful for, any additions or corrections, especially with source citations.

In the record of their banns they were: Hendrick Jansen Van Aschwaerde in't Stift Bremen [now Germany], en Magdaleen Jans Van Swol.

On 20 May 1659 he signed a petition as "Hendrick Jansen Spieringh."

Hendrick Jansen Spier and his wife must visited Holland after their marriage; they returned on the *Faith* on 23 Dec 1660 with their two children, aged 4 and 5 years.

They located at New Amsterdam, but evidently moved to New Jersey and were living in Mingackqua in 1662 as he was one of three men who signed a petition refusing support of a clergyman at Bergen (HSYR 1913:16-19). [Prob. because he was a Lutheran.]

About July 1662 Annatien Dircksen, widow of Pieter Kock, sold 25 morgens (50 acres) of land "on the west side of the North River" (Communipaw) to Hendrick Jansen Spier. This was one half of the land that originally had been granted to Klaes Karstensen Noorman on 25 March 1747.¹

Magdalene Hanse m. (2) **Herman Eduwaerts**, widower of Jannetje Hendricks Oosteroom; m. (3) Nov 1681 Bergen Ref Ch. **Jan Aertsen Vander Bilt**.

On 16 April 1694, Magdalena Hans Vander Bilt, widow of Hendrick Janson Spear and with the consent of her husband Jan Arontson Vander Bilt, of Bergen County, at a place called Mingague Harness, conveyd to Garret Ivers Garretson, of the same place, land of former husband, adjoining Bertole Claesen. Witnessed by Jan Aronlson Vander Bilt, Hendrick Van Spear (his mark), Hans Hendrich Spear (his mark), Barent Hendrick Spear (his mark), Brefant Androsen Lovers, Gilbert Bogart, William Douglas, and David Provoost.¹
